# NAVIGATING THE ECQI RESOURCE CENTER

The screenshot shows the eCQI Resource Center homepage. The navigation bar includes links for eCQMs, dQMs, Resources, About, and Log in. A search bar is located on the right. A dropdown menu is open under the eCQMs link, showing categories: EC ECQMS, EH/CAH ECQMS, and OQR ECQMS. A red arrow points to the EC ECQMS link. The main content area features a 'Featured News & Events' section with two items: 'New Video Short: Safety-Related Electronic Clinical Quality Measures...' and 'QDI User Group'.

The bottom section contains four informational cards. The first card, 'Get Started with eCQMs', has a red arrow pointing to it. The other cards are 'Educational Resources', 'eCQM Standards', and 'FHIR®'. The FHIR card mentions 'Fast Healthcare Interoperability Resources® is a standard for exchanging healthcare information'.

### Compare Versions of: "Anti-depressant Medication Management"

The Compare function compares two years of the measure specifications found in the header of the measure's HTML. It does not include a comparison of any information in the body of the HTML, e.g., population criteria, Clinical Quality Language, or value sets.

Strikethrough text highlighted in red indicates information changed from the previous version.

Text highlighted in green indicates information updated in the new eCQM version.
