eCQI
RESOURCE CENTER

The **eCQI Resource Center** the one-stop shop for the most current resources to support Electronic Clinical Quality Improvement.

For information about the most current resources to support **Electronic Clinical Quality Improvement (eCQI)**, visit the [eCQI Resource Center](#).

For more information about **Clinical Quality Language (CQL)** visit:

[CQL page](#) and [CQL Style Guide](#)

[CQL Education page](#)

[Next Cooking with CQL session](#)

For **Known Issues**, visit the CQL-Formatting-and-Usage-Wiki [Known Issues](#) page.

For more education about the **electronic clinical quality measure (eCQM) specifications using CQL** visit:

[Eligible Hospital \(EH\)/Critical Access Hospital \(CAH\) measure-specific webinars](#)

[Eligible clinician/eligible professional \(EP\) measure specific webinars](#)

[General eCQM education](#)

For the **Calendar year 2019 eCQM specifications** visit:

[Calendar Year 2019 EH/CAH eCQMs](#)

[Calendar Year 2019 eligible clinician/EP eCQMs](#)

For more information about **additional standards** used with eCQMs visit:

[Quality Data Model page](#)

[Quality Reporting Document Architecture page](#)
